

GOD IS MIGHTY

Daniel Goh, Joshua Artono

VERSE 1

Faith is rising in the waiting
Hope and trust in all that You said
Change is coming, so I am singing

VERSE 2

In the valley, I'm still praising
I can't see clearly but I'm pushing through
Fear won't stop me, when You are with me

CHORUS

When I pass through the waters
You're here with me
When I walk through the desert
Your love shelters me
When I run through the fire
I won't be burned
The flames will not consume me
For my God is mighty

VERSE 3

Your Spirit's moving, victory's coming
Walls are crumbling, You're breaking through
Miracles happen, when You are for me

BRIDGE

Almighty, all powerful, the name of Jesus
Almighty, all powerful, the name of Jesus
Almighty, all powerful, the name of Jesus
Almighty, all powerful, the name of Jesus
